

# 2009 Round the Rock Alcatraz Challenge

01 August 2009 San Francisco, CA

The weather was stuff of San Francisco legend. A thick marine layer kept temperatures cool, and a brisk wind provided chill. All the while, visible blue skies teased us from a few kilometers north and a few kilometers south of the Golden Gate. Fortunately, the fog stayed a couple hundred meters above the bay waters. Racing conditions were safe and generally good.

A record eighty-six crews participated in this year's RRAC. Traveling crews included a group from southern California, Na Leo 'O Ke Kai from Arizona, and, annual favorites, Pale Kai from Avila Beach. He'e Nalu extends a gracious mahalo to our fellow NCOCA clubs and paddlers for their participation and enthusiasm. God provides the venue, He'e Nalu secures the permits, but it is the NCOCA that makes it an event.

Results and course maps are attached below.
